Corrigendum

Corrigendum to “Investigation of microstructural and magnetic properties of Ca²⁺ doped strontium hexaferrite nanoparticles” [J. King Saud Univ. – Sci. 34(4) (2022) 101963]

The authors regret, As there are same plot uploaded in all the six concentration in Fig. 2 (Rietveld refinement of Sr_{1-x}Ca_xFe₁₂O₁₉ (x = 0.0–0.5)), so, we want to clarify that these wrong plot of XRD Rietveld refinement may be due to the technical error occurred during plotting the graphs in the origin software. Now, we have again prepared the corrected with the same data. It is noted that these corrections do not change the results or conclusions of the paper.

The authors would like to apologise for any inconvenience caused.
